

MEMBERSHIP GUIDE

RIAA is the peak industry body representing responsible and ethical investors across Australia & New Zealand.

The Responsible Investment Association Australasia (RIAA) has over 165 members who manage more than a trillion in assets under management globally, including super funds, fund managers, consultants, researchers, brokers, impact investors, property managers, community banks, community trusts, religious groups, financial advisers and individuals.

The responsible investment sector constitutes a growing force in the finance and capital markets of Australasia with over 50% of the major super funds and eight of the top ten fund managers have committed to a more responsible approach to undertaking investments.

RIAA works to see more capital being invested more responsibly.

RIAA does this by actively promoting the concept of responsible investment, across the finance industry and to the investing public, with the objective of increasing the uptake and deepening the impact of responsible investment.

RIAA is a hub of timely and relevant ESG information for our members, through research and events, webinars, conference calls and field trips.

- In FY2015, RIAA is delivering 12 events for our members including our annual conferences in Australia and New Zealand
- RIAA produces briefing papers on key issues and policy, as well as producing submissions on important policy developments
- Our working groups bring members together around important areas of work, including impact investment and corporate engagement
- Our annual Responsible Benchmark Report is a critical industry resource measuring the size, growth and performance of the industry
- RIAA's annual Investor Field Trip offers a unique opportunity for our members to spend time on the ground investigating ESG issues with companies and their stakeholders.

RIAA is a strong voice for the industry through media, communications and promotion

- RIAA runs the world's first Certification program for funds and advisers, offering a unique marketing edge for our members whose products gain recognition under this program
- RIAA has driven well over 100 media mentions in FY2015 across industry press, mainstream media and consumer press, online, on radio, television and print
- RIAA's 6 weekly newsletter goes out to 2,000 people across the region and includes news of our members
- Our website promotes all our members and receives thousands of visitors each month

RIAA works to build the capacity of the industry in responsible investing

- We offer thought leadership that continues to drive the development of responsible investment, and bring together key groups within the industry and our members around the issues that matter
- We offer discounted access to the world's leading Responsible Investment education offering, the PRI Academy (developed by RIAA and now managed by the PRI)
- RIAA offers the most extensive and developed network of Responsible Investment organisations in our region
- Our activities offer the best way for people and organisations in the industry to connect and network with their peers and colleagues.

Join over **160** members managing more than a

trillion in AUM globally.
